

Series Digital Pressure Transducer

- **Product Type** : CS-PT602
- **Product Price** :
- **Measuring range** : 0~2MPa.....60MPa
- **Applications** : Hydrological monitoring, frequency of water supply, water-saving irrigation
- **Compliant** :

Details

Technical parameters

| The routine | Value | | | Note |
|-----------------------|--------------------------|-----------|-----------|-------------|
| | CS-PT602 | CS-PT602A | CS-PT602C | 1MPa≈145PSI |
| Measure Range | 0~2MPa.....60MPa | | | |
| Overload Pressure | 1.5*RP(rated pressure) | | | |
| Broken Pressure | 3*RP(rated pressure) | | | |
| Power Supply | 10~30Vdc | 3.6Vdc | | |
| Electrical Interface | RS485 | | | |
| Quiescent current | <15mA | <1mA | | |
| Accuracy | 0.5% | | 1% | |
| Output | RS485 | | | |
| Pressure Form | Gauge G, Absolute A | | | |
| Operating Temperature | -10°C~60°C | | | |
| Prot | M20×1.5、G1/4、G1/2、NPT1/2 | | | |
